**Guests:** Rebecca Sauer

The meeting was called to order at 8:34 a.m.

### **Introduction of Guests and Committee Members**

Committee members and guests introduced themselves.

### **Approval of Minutes – September 9, 2021**

Minutes from the September 9, 2021 meeting were reviewed. Dussault moved, second by Eiring, to approve the minutes as written. Motion carried.

### **Overview of the Wisconsin Department of Transportation Alcohol and Drug Review Unit – Rebecca Sauer, Admin Suspensions and Alcohol Drug Review Team Lead**

Rebecca Sauer presented on the assessment process for OWI's, licensing actions for failure to follow through with assessments and DOT requirements. She explained WASP (Assessment Entry System) and how it allows an electronic paper trail to remain intact for future assessors to be able to follow clients past and current driver safety plans and assessments. A recommendation to the DOT to review the form for updates was suggested. Discussion was held on the Lifetime Revocation Law which was enacted in 2018 and how the offender may be eligible for re-instatement after 10 years.

Shaun Cuevas left the meeting at 9:14 a.m.

### **Chair Report**

- HHS has contracted with additional local sober recovery houses to expand services for county residents. Referrals to these facilities are generated through providers within the county and/or self/family referrals.
- The Women's Health and Recovery Program (WHARP) was launched in the clinic this year for women with substance use disorders and complex needs. The program helps women in recovery and provides care coordination in many different areas including housing and child-care. The program is resulting in many positive effects.
- The Crisis Stabilization Program has been implemented in Waukesha County and a Crisis therapist has been embedded within the Sheriff's department.
- HHS released a request for bids for substance use prevention and received money for prevention in local schools and in the community.
- As a committee, it was suggested that a goal for the IPID Committee in 2022 would be to look for ways within the county to promote prevention. The Cops and Kids Foundation was suggested as an option to explore.
- Heroin Task Force has reformed. Currently, Waukesha County as well as the entire state is seeing a significant increase in Fentanyl use and overdoses.
- Approximately \$10,000,000 was put into the governor's budget around crisis stabilization having regional psychiatric emergency facilities to provide medical clearance. Waukesha County is participating in the discussion.

- The opioid settlement has concluded, and Waukesha County received a gross settlement of \$17 million. Waukesha County will be receiving net funds of \$500,00-\$600,000 over a period of 18 years to be spread across the county.

Judge Eiring left the meeting at 9:45 a.m.

#### HHS Board Liaison Update

- The Board had a presentation from Veteran's Services with the new Veterans Service Officer, Dan Driscoll.
- The Board approved clinical division provisions of the medical staff.
- Online meetings are being piloted with the County Board. More information to follow.

#### Agency Updates

- Addiction Resource Council (ARC) has moved their offices from the lower level to the second floor.

#### Discussion of Committee Needs and Future Educational Segments

- Case study in Colorado on legalization of marijuana (presentation done by Kettler in 2016).
- Prescription Drug Monitoring Program (PDMP) and how it is used by providers.
- Wisconsin/Illinois border and legality of marijuana.
- WiNTiP Wisconsin Nicotine Treatment Integration Project: Mental Health, AODA and Tobacco Dependence.
- DOT and New Campaigns for Intoxicated Drivers...What happens after OWI.
- New State OWI laws and how they are affecting OWI numbers (OWI Court).
